

July 4th 2023 and 34 years since the Games began in 1989

It was fitting that, on July 4th American Independence Day, the Biddenham Gold Stars Cheerleaders opened our Games with a stunning performance of agility.

The Student volunteers from Wootton Upper School were on hand to help the competitors

The Competitors were all kitted out with colourful T Shirts and signs to identify their groups.

And they are off down the Track

Finish Line at last

Field events went on throughout the day  
Long jump, Javelin, Soft Ball and Discus

During the lunch break everyone was treated to the sound of African drums

Finally the medals presented by this happy group of dignitaries, smiling in the sunshine and the rain

A happy day for all who attended with lots of smiles and laughter.  
It's not true that the Lord Lieutenant came first!

The winner walked away!

The Freemasons presenting their Award for the team that demonstrates outstanding sportsmanship

A fitting end to a busy, eventful and joyous day.

See you all next year.
